

CHISA 2012		Sunday 26		Monday 27		Tuesday 28		Wednesday 29		
		Morning	Afternoon	Morning	Afternoon	Morning	Afternoon	Morning	Afternoon	
Thematic Group	Session Room	1	2	3	4	5	6	7	8	
Reaction engineering	A	Plenary	Reaction engineering	Plenary	Reaction engineering					
Separation processes	B		Thermodynamics		Extraction	Supercritical fluids				
	C		Distillation & Absorption		Porous materials	Membrane separations				
Hydrodynamic processes	D		Fluid flow		Fluid Flow		Mixing			
System engineering	E		Symposium PIM		Filtration		Particulate solids			
	F		CAPE		CAPE			Safety		
Technologies	G		Biotechnology			Chem. technology	Symposium: Biofuels	Pharmaceutical engineering	Workshop: Sustainability	
Systems & technologies	H		Food processing		Environmental engineering			Education	EU projects	
PRES	I		PRES		PRES					
	J		PRES		PRES					
POSTERS	Session Room		P1			P3	P5		P7	
Atrium		Fluid flow		Reaction engineering	Membrane separations		EU projects			
		Distillation-Absorption		Extraction	Supercritical fluids		Workshop: Sustainability			
		Thermodynamics		Porous materials	Particulate solids		PRES			
		Food processing		Filtration	Mixing					
		Bio & chem. technol.		Environmental eng.	Pharmaceutical engineering					
		Symposium PIM			Symposium: Biofuels					
	CAPE			Education						
					Symposium on safety					
					PRES
